

Dr. Majed HADDAD

Experiences:

- Assistant professor at the University of Avignon, Sept. 2014 – Present.
- Research engineer at the INRIA - Alcatel Lucent Bell Labs common lab, Sept. 2012 – Aug. 2014.
- Teaching and research assistant (ATER) at the University of Avignon, Sept. 2011 – Aug. 2012.
- Post-doctoral researcher at INRIA Sophia Antipolis, Sept. 2010 – Aug. 2011.
- Post-doctoral researcher at Orange-Labs, France Telecom R&D, Jan. 2009 – Jul. 2010.
- Ph.D. at Eurecom Institute (Sophia Antipolis, France) at Mobile Communications department, Dec. 2005 – Dec. 2008.

Selected Research Grants:

- Participant in the ANR project “**MAESTRO5G**” on Management of slices in the audio access of 5G networks, 2019 – Present.
- Participant in the Huawei Innovation Research project “**TEaMWORK**” on Quality of Experience: from user perception to key metrics in future wireless networks, 2017 – Present.

Selected Professional Services:

- **Associate Editor:** IEEE Access, 2016-present.
- **Technical Program Chair:** The 13th Workshop on Spatial Stochastic Models for Wireless Networks (**SpasWin**), in conjunction with **WiOpt**, 2019.
- **Guest Editor:** The IEEE Access Special Section in Big Data for Green Communications and Computing, 2015.
- **Technical Program Chair:** IEEE WCNC'2016 Workshop on Device to Device communications for 5G Networks (**WD5G**), in conjunction with IEEE **WCNC**, 2016.
- **Technical Program Committee:** The IEEE Journal on Selected Areas in Communications (**JSAC**) - Special Issue on Recent Advances in Heterogeneous Cellular Networks, 2015.
- **Technical Program Chair:** The 12th International Symposium on Modeling and Optimization in Mobile, Ad Hoc and Wireless Networks (**WiOpt**), Hamamet, Tunisia, 2014.
- **Invited Talk:** “Efficient Solutions for Estimating Mobility for 4G/5G Network Optimization”, in the common lab INRIA – Alcatel-Lucent Bell Labs, Paris, France, Jan. 2015.
- **Invited Talk:** “Energy-Efficient Resource Management Games in Wireless Networks”, **CE-FIPRA** Workshop, IISC Bangalore, India, Jan. 2014.

Publication Summary:

- 3 Patents, 3 book chapters, 13 journal papers, 50 conference papers.
